To: Chief, Allocations Branch

Petition For Rulemaking

Boswell Broadcasting Company, by its attorney, hereby requests that the Commission institute a rulemaking proceeding for the purpose of allotting FM channel 282C3 to Boswell, Oklahoma as Boswell's first local service. It is proposed to amend Section 73.202(b) of the Commission's Rules, Rules, FM Table of Allotments as follows:

<u>City</u>	<u>Channel Number Present</u>	<u>Channel Number Proposed</u>
Boswell, Oklahoma	----	282C3

No change in existing allotments is requested.

1. If the requested allotment is made, Boswell Broadcasting Company will apply for a construction permit for a new FM station on Channel 282C3 at Boswell, Oklahoma. If Boswell Broadcasting is granted a construction permit, it will promptly construct and operate a new FM station to serve Boswell, Oklahoma.

2. As demonstrated in the attached engineering exhibit, the allotment of Channel 282C3 to Boswell, Oklahoma can be accomplished in compliance with all minimum mileage separation requirements from Boswell Broadcasting's reference Site (**33-58-31N 95-56-00W**).

3. Boswell is an incorporated town in Choctaw County, Oklahoma, with a 1990 census population of 643 persons.

4. Allotment of Channel 282C3 will provide Boswell with its first local aural service and an essential outlet for local expression. Accordingly, the allotment will serve the public interest.

Wherefore, for the foregoing reasons, the Commission should initiate a Rulemaking proceeding to amend 73.202(b) of its rules to allot Channel 282C3 to Boswell, Oklahoma.

Respectfully submitted,
Boswell Broadcasting Company
